## Jane Parrish, 2018

Jane Parrish has been an early contributor to MVUUF. Not only did she help organize the Woman's Group in 1976, she organized the Bridge Group. Janes has been our resident artist. She was instrumental in the design of our newsletter logo and our MVUUF wall hanging, and she found the metal sculptor to design our sanctuary chalice. She has served us as MVUUF Chair, Secretary, Activities, Publicity, editor of the newsletter, and Arts & Aesthetics. All this, and she still found time to spearhead rummage sales, Circle suppers, cookbooks, holiday celebrations, and all things that needed to get done. Jane Parrish has played a vital role in forming our identity and we wish to honor her for all she has contributed.
